Tremolat

Les Chouettes is situated in the Perigord Noir of the Dordogne area, just a mere kilometre from the village of Tremolat, with its fabulous restaurants and bistros.

The Vieux Logis offers Michelin Star food and service. The local Bistro has a fantastic new chef who creates the most delicious meals at affordable prices.

Also in the village square we have our Pizzeria which is a favourite of our families.

On the bank of the Dordogne - there is another pizzeria which is lovely place to visit in the Summer. Unfortunately it is closed in the Winter.

Just 3 kms outside Tremolat you will find Les Truffieres. This is an auberge restaurant where you will be treated like a king by Yannik and served delicious food created out of fresh produce - most of which has been grown by himself.

The French Country Cottage - Les Chouettes is a 15 minute drive to Le Bugue, a great market town and only 5 minutes to Limeuil where the Vezere and the Dordogne rivers meet.

The famous bastide town of Sarlat is 30 minutes and the capital of Périgord, Périgueux is only 45 minutes.. Les Chouettes is only a 40 minutes to Les Eyzies where you can visit the famous paleolithic caves of the area.

If you have not already we suggest you download our own Guide to the Dordogne which is available here.

To ensure the longevity and upkeep of our pool and outdoor furniture, we kindly request that only traditional sunscreens be used during your stay. Self-tanning products have been found to cause damage to both the pool lining and outdoor cushions. Your cooperation in this matter is greatly appreciated. Thank you for helping us maintain the beauty of our property for all guests to enjoy.
